

## Statement of Interest for Secretary/Treasurer Position in the ACFAS Southeast Region

Dear ACFAS Southeast Region Membership,

I am writing to express my interest in the position of Secretary/Treasurer for the ACFAS Southeast Region. As a dedicated member of ACFAS, I am deeply committed to advancing our profession and ensuring that our members have the resources and support needed to provide superior care to foot and ankle surgical patients.

For the past two years, I have served as an attending at the West Palm Beach VA, where I have honed my skills in foot and ankle surgery. My background includes a fellowship in foot and ankle surgery, which has provided me with a comprehensive understanding of the complexities and demands of our field. This, combined with my board certification in foot and ankle surgery, has prepared me well to take on the responsibilities of the Secretary/Treasurer role.

In my current position, I am responsible for managing patient care, overseeing surgical procedures, and coordinating with a multidisciplinary team to ensure the highest standards of care. These experiences have equipped me with the organizational and leadership skills necessary to effectively manage the financial and administrative responsibilities of the Secretary/Treasurer position.

As Secretary/Treasurer, I will be committed to:

- Keeping accurate and transparent financial records for the Region.
- Providing diligent financial oversight to ensure the responsible use of Region funds.
- Compiling detailed and timely semi-annual financial reports for the Region Presidents Council Finance Committee.
- Assisting in the leadership and strategic direction of the Region, with a focus on promoting education, research, and the highest professional standards.

I am eager to contribute to the continued success and growth of our Southeast Region and to support my colleagues in delivering exceptional patient care. I believe my background and dedication to the field make me a strong candidate for this role, and I am excited about the opportunity to serve our community in this capacity.

Thank you for considering my application. I look forward to the possibility of contributing to our Region's mission and objectives.

Sincerely,

James M Steriovski, DPM, FACFAS, MBA  
Attending, West Palm Beach VA  
Fellowship-Trained, Foot and Ankle Surgeon  
WPV VA Medical Center  
West Palm Beach, FL 33410

**James Michael Steriovski, DPM, FACFAS, MBA**  
Juno Beach, FL 33408
